- Extension table for your machine. A flat surface to support your templates is necessary.
- 90/14 topstitch needle
- 36" x 42" quilt sandwich (or size similar to that) of one solid color
- Contrasting thread
- Super Slider or similar silicone pad for your sewing surface
- Sewing gloves or finger covers
- Non-slip adhesive for templates (Sew Steady stable tape is included with templates. However, True Grips provide both traction and a cleaner look. Bloc-Loc Traction Tape provides optimum performance and is the preferred product of template instructors.)

(The last three items make working with the templates so much easier.)

**PRIOR TO CLASS:** Please spray baste together quilt top, batting, and backing Cotton fabrics and batting are preferred. Use a solid, not print, for your quilt top. ***(If you have your quilt sandwich spray basted before class, we should be able to get through most of these techniques.)***
