

Stabilizer Basics

Stabilizer Basics is free to those who have purchased an embroidery machine from The Sewing Center. Class will cover the types of stabilizers and their uses.

How to determine what kind and how much stabilizer to use for various fabrics/techniques. Lots of examples are shown and there is plenty of time for questions. Have some things you've embroidered that didn't turn out as you would like? Bring them to class to discuss how to fix/improve your stabilization methods.

Receive a 20% discount on notions demonstrated/shown at class.
