## Supplies:

### **\*Basic Sewing Supplies**

#### **Westalee Starter Set**

**Sewing machine (in good working order) fitted with a Ruler Foot**

**Outer fabric for roll 13' x 25" - plain or blender fabric will work well and makes it easier to see your marks and quilting**

**1 13" x 25" backing fabric - will not be seen**

**1 13" x 25" cotton batting**

**1 9.75" x 22" fabric for inside of roll**

**9.75 x 22" light/medium fusible interfacing (optional) for inside fabric**

**Pockets can be made from fabric, mesh or plastic. Fabric is the easiest and takes 1 fat quarter of 2 coordinated fabrics**

**If using plastic (vinyl) you will need a piece 10" x 20"**

**Basic sewing supplies, i.e. thread, scissors, 90/14 needles. etc**

**Rotary cutter and 12 1/2" square ruler if you have one. Cutting mat**

**6 x 24" ruler for marking**

**Fabric Marking tool of your choice - the marking you do needs to be clear on the fabric. Chalk if good but wears off fast**

**Binding 2.5" x 70"**

I haven't used mesh for the pockets so can't say how difficult that may be. The pattern

suggests 1/2 yd each of two fabrics will make the ruler roll, all pockets, binding and ties.
