

Fabric Fusion - Greeting Cards

Wendy Martin

Fee: \$ 20

Join us in an adventure of fusing fabric with cardmaking, paper crafting, box making and lots more. Don't worry if you have never done any of these crafts before, the projects will be for everyone. Once a month you will explore new techniques in these fun, informative classes and complete the project in class. Each class will have a list of basic supplies and fabric needed for the class. The price of each class will include written instructions/pattern and a special supply kit. You will receive a list for any fabric needed and basic supplies. It does not get easier than that. Also, many times a Sewing Machine is not needed!! You can pick and choose the classes you take or join us every month. This class is making 5 greeting cards with envelopes.

Receive a 15% discount on fabric and a 20% discount on notions required for this class.
