

Machine Quilting Basics

Moneik Stephens

Learn the art of machine quilting on your domestic machine through this hands on class. Machine Quilting Basics will cover echo, cross hatching, stitch-in-the-ditch, decorative, and free-motion quilting. Discussion of threads, needles, and layering and basting a quilt top for home-machine quilting will be included in the class.

Receive a 15% discount on fabric and a 20% discount on notions required for this class.
